PATHFINDERS

Our children's ministries at Hurricane Naz are growing and thriving. Invite your friends to visit and take part in our children's programs. There are children's classes for all ages during all regular services.

BLAST 2025 @ Mount Vernon Nazarene University

On June 4-7, over 15 youth from our church participated in BLAST, a Nazarene program with the mission of **B**uilding **L**eaders and **S**haring **T**alents. Our youth competed in athletic, musical, and a variety of other areas. They did very well! We are so proud of our youth and their leadership.

Women of Worth Ladies Ministry

Women of Worth is a relatively new ministry at Hurricane First Church of the Nazarene. This group is for ladies who are at least 18 years old. The group meets every one to two months to enjoy fellowship together and to encourage one another in the Word.

On June 13th, the WOW group meet and enjoyed a potluck dinner together. They learned how we can leave a Christ-like legacy to our families and friends. They will meet again on August 8.

To learn more about Women of Worth or to find out when the group will be meeting next, please contact Pam Dearman at 304-389-8476

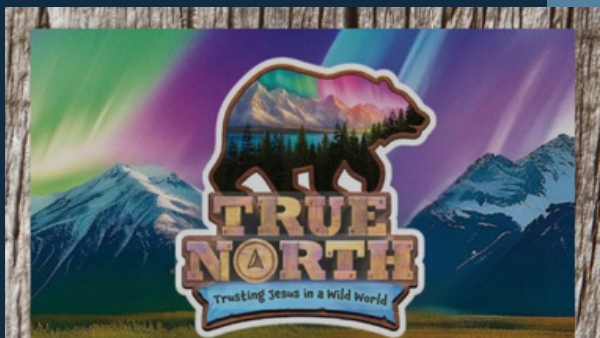

We enjoyed the music of the Guardians in our services on June 22.

We also celebrated our new high school graduates and our fathers this month!

True North VBS:

We enjoyed a wonderful time of sharing the Good News of Jesus with over 80 children! Continue to pray for these young lives. Many thanks to the nearly 100 volunteer helpers.
